PROFESSIONAL EXPERIENCE

Full-Stack Software Developer

May 2025 – August 2025

Society for AI Literacy, Calgary, AB

- Built full-stack data processing system using React, TypeScript, and Python, improving efficiency by 25%
- Integrated OpenAI API with structured prompt engineering, achieving 90%+ accuracy in automated data extraction
- Developed RESTful APIs reducing manual processing time from 4 hours to 45 minutes per batch
- Redesigned React frontend with modern UI/UX principles, increasing user engagement by 40%
- Collaborated in Agile environment with daily standups and sprint cycles; conducted code reviews
- Debugged and resolved 50+ production issues, improving system reliability by 30%

PROJECTS

Roast as a Service – AI-Powered REST API

2025

Node.js, TypeScript, Express, PostgreSQL, Prisma, OpenAI API, Railway

- Built configurable API with self-service API key generation, rate limiting, and themed content categories
- Implemented PostgreSQL with Prisma ORM; deployed on Railway with production-ready architecture

City Roads – WebGL Data Visualization

2025

React, Three.js, WebGL, OpenStreetMap APIs, Tailwind CSS

- Built web app that fetches city road data from OpenStreetMap and renders with WebGL animations
- Implemented interactive controls, customization options, and PNG/SVG export functionality

Webhooks Delivery Service – Reliable Backend System

2025

C#, .NET 9, SQL Server, Azure DevOps, Docker, CI/CD

- Built durable delivery system with at-least-once guarantee, automatic retries, and exponential backoff
- Configured CI/CD pipeline with Azure DevOps for automated testing and deployment

Certified Origins – Full-Stack Supply Chain System

Sep 2024 – Dec 2024

NAIT Capstone | React, PostgreSQL, Supabase, JWT, RBAC, 2FA, Digital Ocean, GitHub Actions

- Architected 10+ dynamic React pages with PostgreSQL database serving 500+ products
- Implemented secure auth (JWT, RBAC, 2FA); optimized queries reducing response time by 40%
- Deployed with automated CI/CD; earned A+ for code quality and documentation

EDUCATION

Diploma, Computer Software Development | GPA: 4.0 – Dean's Honor Roll | Jan 2023 – Jan 2025

Northern Alberta Institute of Technology (NAIT), Edmonton, AB

Coursework: Data Structures & Algorithms, Database Management, Web Development, Software Testing, Agile
